Sole Applicant: Stephen Corey Wren

Title: "System and Method for Facilitating Transactions Utilizing Central and Remote Locations"

Small Entity Declaration-Independent Inventor

As the below named Inventor I hereby declare that I qualify as an independent inventor as defined in 37CFR 1.9(c) for purposes of paying reduced fees under Section 41(a) and (b) of Title 35 United States Code to the Patent and Trademark Office with regard to my above identified invention described in the specification filed herewith. I have not assigned, granted, conveyed, or licensed and am under no obligation under any contract or law to assign, grant, convey, or license any rights in the invention to either (a) any person who could not be classified as an independent inventor under 37CFR 1.9(c) if that person had made the invention, or (b) any concern which would not qualify as either (i) a small business concern under 37CFR 1.9(d) or (ii) a nonprofit organization under 37CFR 1.9(e).

I acknowledge a duty to file in the above application for patent notification of any change in status resulting in loss of entitlement to small entity status prior to paying or at the time of paying the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate (37CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon or any patent to which this verified statement is directed.

Declaration for Utility Patent Application

This application is a continuation-in-part of copending U.S. applications Ser. No. _____, filed June 22, 1994; Ser. No. 08/051,743, filed April 22, 1993; and Ser. No. 07/855,099, filed March 20, 1992. This application in part discloses and claims subject matter disclosed in my above referenced earlier filed pending application Ser. No. _____, filed June 22, 1994.

As the below named Inventor, I hereby declare that my residence, post office address, and citizenship are as stated below next to my name and that I believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention, the specification of which is attached hereto and which has the following title:

"System and Method for Facilitating Transactions Utilizing Central and Remote Locations"

I have reviewed and understand the contents of the above identified specification, including the claims. I acknowledge a duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Please send correspondence and make telephone calls to the Inventor below.
